Sail EXPO at RPAYC

- Nick and Beau to arrange with RPAYC
- Nationals Shirts and National Video on play
- Flyers to hand out
- Training Program with Hobie Waves
- Sharing of the training program with other F16 associated clubs.

Video Push from National

F18 Integration

Initial attempt at this has stalled through Covid. F16 has managed to create its own identity in the interim. There are legal issues and costs associated with the Association that we have been able to avoid with being a small class. However the class is growing fast and these additional costs and responsibilities are taking more resources and time.

Management with Australian Sailing.

Coaching and courses by the association.

HARKEN®

Vote on if F16 should re-ignite the integration with the F18 association to form one association with sub sections for F16 and F18.

Subs and affiliation

Association Membership costs

Discuss and decide on a reasonable membership cost for F16 Association members who do not enter the National Titles.

International Membership costs - \$25 per member to vote internationally

For reference here are the relative costs of other associations.
